

ETDA Summit Service Project 2021

It has become a tradition over the last several years for us to do service projects in conjunction with the ETDA Summit. These reflect the values and activism that characterize the ETDA and its members.

Now we launch into new territory by providing service despite the restrictions of the pandemic. We will volunteer remotely via the internet.

Our service work will be online facilitation of training, strategic planning, or team building with interested non-profits. We will volunteer our services in increments of 2-4 hours on your choice of either: January 19-20; or only January 20.

To participate, please [REGISTER ONLINE](#), then send registration form and your \$25 registration fee (plus any additional donation), by December 10th, with a check made out to:

*Unlimited Possibilities
PO Box 635
Milton, NH 03851.*

For efficiency, we are keeping the service registration separate from conference registration. We will have an online prep meeting the week of January 4.
